notice by the Sri Lanka Government on 16 October 1991 and asked to leave Colombo by 21 October 1991 on the ground of mis-reporting. The charge of mis-reporting referred to his report on 15 October 1991 that the Sri Lankan Speaker of Parliament Mr. M.H. Mohamed had submitted his resignation. It was learnt later that this was not the case.

(c) and (d). On 17 October 1991, Government took up the matter regarding expulsion of the AIR correspondent with Sri Lanka Government through our Mission in Colombo. Government expressed regret at the expulsion order served on Shri Karuppaswamy inspite of the fact that both AIR and Doordarshan immediately retracted their earlier report about the resignation of the Sri Lankan Speaker. Notwithstanding our demarche, the Sri Lanka Government went through with Shri Karuppaswamy's expulsion. No action has yet been taken to replace the AIR correspondent.

National Research Centre for Oil Palm

1178. SHRIMATI BASAVARAJESWARI: Will the Minister of AGRICULTURE be pleased to state:

(a) whether the Government have identified the location for setting up of the National Research Centre for Oil Palm in Karnataka;

(b) if so, the details thereof; and

(c) the time by which the above Centre is likely to be set up?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI K.C. LENKA): (a) No Sir.

(b) and (c). Does not arise.

National Oilseeds Grid

1179. SHRI SOBHANADREESWARA RAO VADDE: Will the Minister of AGRICULTURE be pleased to state:

(a) whether National Dairy Development Board has any proposal to set up a National Oilseeds Grid;

(b) if so, the details thereof; and

(c) whether the interests of the oil seed growers are adequately taken care in the proposed set up?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTRUE (SHRI MULLAPALLY RAMACHANDRAN): (a) National Dairy Development Board has a proposal to set up a National Oil Grid.

(b) The objective of the National Oil Grid is to link the major oilseeds producing areas with the demand centres which help in reducing wide fluctuations in the prices oils over seasons and regions. The proposal envisages :

(i) creation of oil storage capacity at strategic locations;

(ii) establishing packaging stations across the country to pack edible oils;

(iii) developing an economical transport system to move oilseeds and oil from surplus to deficit zones.

(c) Yes, Sir. The proposal also envisages linking the above facilities with the already established oilseed processing refining and other infrastructure under the NDDB financed oilseed Growers' Cooperative Project thereby benefiting member farmers.
